

June 4 , 2020 Meeting Agenda

**Meeting called to order at 7:00 pm (via Zoom); all four club officers in attendance.**

**Total # members present: 20**

**Treasurer's update:** At present, 60 members have registered for 2020. Jeff Beam to send out letters/emails to get rest of the members signed up. Rick and Jeff still need to finalize Crab Ride expenses. Also, 2020 membership cards have not been distributed. Mario has them and will bring them to the Swap Meet June 7 for Jeff to get distributed. Jeff stated that the club is in good financial order.

**Old Business:**

There was an informal ride on Tuesday, May 19<sup>th</sup>. Mario DiSalvo (road captain) reviewed the outing. Everyone met behind Buck's restaurant in Woodside at 10 and left a bit after 10:30 for top of Skyline with 15 bikes, one chase truck and an Aston Martin. Tried to head down Tunitas Creek Road, but it was blocked by a fallen tree. Ended up going down the west side of Alpine Road and finished at La Honda Market for lunch. Dispersed around 1:00, leaving on their own. Perfect bike weather -- a good day, and great to see folks. Nice to get out of the house!

**New Business :**

**Status of AMCA Events** Rick Najera reported that national has cancelled everything up until the Yellowstone Chapter event July 21-24. On June 15<sup>th</sup> it will be decided if that will transpire. Also decided on that day will be Sturgis and Davenport events.

**Virtual Judging** Due to the pandemic, national judging will take place virtually. If you wanted to be judged at Dixon, you should contact Don Dzurick ([dondzu@hotmail.com](mailto:dondzu@hotmail.com)), head of national judging, to get set up for showing your bike via camera.

**Swap Meet** This Sunday, June 7, is a Swap Meet in Vacaville at the Harley dealership. Vendors will be admitted at 7:00am, but must be pre-registered. Public entering at 8am.

**Club Ride** It was agreed to have another informal ride on Saturday, June 20<sup>th</sup> (after deliberation about weekday rides vs. weekend rides). Meet again behind Buck's in Woodside at 10:00 -- kickstands up at 10:30. Be sure you have a full tank of gas (Chevron station is on the right as you enter the town of Woodside) as there are no stations on the route. Will again try Tunitas Creek Road and head south on Hwy 1. Bring a bag lunch as we will stop at a wide spot two miles north of Davenport at Greyhound Rock to eat (no restaurant).

**Future Yerba Buena Meetings** It was agreed that none of us likes the virtual meetings, but as of yet, it's all we have. Ricky suggested that hopefully soon we could meet in an open space (grass area or county park). Everyone give consideration about where this could be and let a Board Member know if you come up with an idea.

**For the good of the club** Our Chapter will be sending a sympathy card to Marie Moore's husband. Sadly she passed away late January and was a cornerstone for the Fort Sutter chapter. Sue Booth to send card.

**Yerba Buena Chapter  
Antique Motorcycle Club of America**

Also, time was spent updating member email addresses. Please check with a Board member if you're not getting the club emails.

**Motion to Adjourn** Meeting adjourned at 7:45 pm. Next meeting slated for July 1<sup>st</sup>.

**(50/50 raffle)** We enjoyed Ricky's bongo drums instead of the raffle.
