

August 5, 2020 Meeting Agenda

Meeting called to order at 6:43 pm in lawn area of Pac Shores, Redwood City. Three **club officers** were in attendance (President, Ricky Najera, was out of state).

Total # members present: 10

Treasurer's update: Jeff Beam reported three members renewed in July. There are presently 66 members. The club is in good financial standing.

Secretary's Correspondence: Membership cards were mailed July 29, 2020. Done thru postal service because handing out at meetings was not possible due to pandemic.

Old Business:

- **Club Ride:** July 26, 2020 Mario DiSalvo recounted the ride of eleven bikers on Calaveras Road and Niles Canyon in East Bay. It was a nice change from the coast. He recommended that we do it again in the spring when things are greener. Manny Fernandez stated that it was nice to have the breakdown truck (the Booths) and that it's probably a sticky valve guide (seems to unstick when it cools down). All agreed on a fantastic ride and a great day.

New Business:

- **Next Club Ride:** Settled on Saturday, August 22, with back up date of the following Saturday, August 29. Possibly going on coast ride ending up for a burger on Highway 9. Also discussed was another East Bay route along the ridge run ending in Tilden or Moraga. Mention was made, too, of Paul Thomas putting a ride together in the Novato area of North Bay. Mario to let us know as date gets closer.
- **Status of National Events:** Cannonball has been cancelled. Evergreen Swap Meet (Seattle area August 14, 15) is cancelled. Born Free is still on (Sept. 25, 26) at this time, as is Fallbrook (Los Angeles Chapter Road Run) Oct. 26-28.
- **September Meeting:** Discussion was held about whether to Zoom our next meeting or try another in-person gathering. There was consensus on meeting in-person again at Pac Shores lawn. Victor Boocock cautioned that this was fine until the weather turns wetter and colder in autumn. Brad Booth to check with Alpine Inn in Portola Valley to see if we could reserve some tables for a meeting in their beer garden.
- **New Club T-Shirt:** Brian Davis stated that we usually have a club t-shirt ready for Dixon, but with that being cancelled this year, no new club t-shirt was produced. All agreed that we go ahead and have one designed at this point, and it would possibly be our shirt for Dixon 2021. Generally, we feature a member's bike; the knucklehead of Manny Fernandez was mentioned. Greg Wood's bike was also brought up as a possibility. All agreed we are lucky as a club to have Tom Clark's amazing artwork for the shirts. Further discussion at the next meeting was agreed upon.

(See Club calendar on back)

**Yerba Buena Chapter
Antique Motorcycle Club of America**

- **Nominations:** Brian Davis announced that both the President and Secretary positions are up for election this year (Ricky filled a one-year slot to finish out Curt Hansen's presidency). Sue Booth stated that she would agree to serve another term as Secretary. Four Board members are also up for reelection: Brad Booth, Chris Carter, Clay Hudson and Brian Stearns (although one hasn't paid membership dues for 2020 yet). Danny Lopez and Mario DiSalvo are up for renewal as Road Captains. Members pointed out that Danny has been in Costa Rica for quite a while. Further discussion to be held next month.

Motion to Adjourn at 7:20 p.m.

Next meeting September 2, 2020

Notes submitted by Sue Booth, Secretary
