

April 2010 Meeting Minutes

Meeting called to order 7:17 PM

Correspondence:

Treasurer's update—Tom Hacker--approximately \$ 9461.09 in the club account. Club Dues are due \$20

Old Business:

1. Review of March Events:

a. Last Laf car/bike show—YB Members reported mostly cars, a good turn out, and also noted it was the 50 year anniversary for the Laf-a-lots. Some less than desirable individuals showed up, not in the spirit of the event in any way.

b. American Bike Show—78 bikes were on display or to be judged. \$795 in entries and \$245 in event shirts were sold. Club shirts and other items were on sale also. \$1115 in total was collected. A couple trophies and plaques need to be sent out to the winners. A suggestion was made to add a Competition Bike Award in the future. Several members want to buy T-shirts, so can they be brought to an upcoming meeting?

c. Day After Ride—There were a handful of bikes on the ride, with Paul d'O Riding Rick's "Lee Roy" for the day, as he got a flat tire on his own bike. Lots of pictures were taken, and Paul spoofed it to all that he had become a shovelhead convert on his April fool's edition on his Vintagent website.

2. Updates on the club website. New web address is (www.yerbabuenaamca.blogspot.com) Paul has been adding content as it comes in and also updating the upcoming dates for meetings and rides. Website committee is Paul d'O, North West, and Richard Cook. The old site <http://www.yerbabuenamc.org/> is now taken down. We are trying to link <http://www.yerbabuenaamca.org/> to the new site, for a simpler URL. After a ride, send in a photo or several photos, and give a quick write up if you can. Paul can post this kind of information very quickly.

3. Club merchandise. Club sweatshirt. They are in and are \$35. American Bike show shirts—there are extras from the show, and they are ONLY \$10 for members.

4. Club ride to the Art Academy SF was previously tabled. On hold for permitting, may be complete by late April or May. They currently have 120 old cars on display. A suggestion was made to buy up the metered parking in front and park our bikes there.
